

GNT 5

The LED Wall Mount Light is an energy-efficient and weather-resistant outdoor lighting solution that provides bright and focused illumination for outdoor and BOH areas. With its long lifespan and low maintenance requirements, it's a cost-effective and eco-friendly option for enhancing the aesthetic appeal and safety of any outdoor space. Its energy-efficient LED technology ensures it consumes less power than traditional lighting options, making it ideal for eco-conscious customers.

FEATURES

FINISH	Black, White
WORKING VOLTAGE	220V AC
RATED POWER	12W, 15W, 20W, 30W
RADIANCE ANGLE	120°
LAMP LIFE	50,000hrs
MOUNTING	Surface mounted
CONNECTION	Outdoor rated connections
DIMENSION	Ø300x85mm
OPERATION TEMP	-20°C~+50°C
BODY	Aluminium
CONTROL	On/Off

ELECTRICAL DATA

POWER CONSUMPTION	12W, 15W, 20W, 30W
SUPPLY VOLTAGE	220V AC
COLORS	2700K, 3000K, 3500K, 4000K, 5000K
CRI	80, 90
LUMEN	1056-1122lm @12W, 1312-1402lm @ 15W, 1750-1870lm @ 20W 2670-2805lm @ 30W

CREE/BRIDGELUX/OSRAM
LED Quality

220V AC
Working Voltage

12W/15W/20W/30W
Rated power
